## Property Description

Discover an exceptional opportunity to own land in the emerging Blue Zone region of Guanacaste Costa Rica. These lots are located in Playa Pilas, ideally situated between Playa San Miguel and Playa Corozalito, within an area still considered a hidden gem. Set in a “secret garden” style environment, the property is nestled between dramatic mountains and the Pacific Ocean, offering breathtaking views and a peaceful quiet though elegant natural setting. The land is highly versatile and suitable for a wide range of development projects—whether residential, eco-tourism, or investment. Access to a creek and a waterfall, the property has fruit trees including mango trees. Tall yellow bamboo, almond trees and Macaws and perroquet all sorts live and feed off the ridge. Affordable and full of potential, this is a rare chance to secure property in one of Costa Rica’s most beautiful and untouched coastal.
