## Property Description

Casa Verde is a striking architectural residence in the exclusive Senderos community in Tamarindo, designed by WR Arquitectura in collaboration with the renowned Senderos team. This 4-bedroom, 4.5-bath home blends contemporary tropical design with elevated craftsmanship, creating a refined and functional living experience. The layout includes two spacious primary suites, a guest suite, and a large bunk room, comfortably accommodating up to 14 guests—ideal for families or those who love to host. Expansive indoor-outdoor living defines the home, with a gourmet kitchen that flows seamlessly into open social areas, connecting to a large terrace, infinity-edge pool, and outdoor kitchen with barbecue area. From its elevated position, the home captures breathtaking views over Las Baulas Marine National Park, while benefiting from cooling breezes year-round. Every space is designed to maximize natural light, views, and connection to the surrounding landscape.
