Property Description

Perched atop the Playa Hermosa hillside in the Southern Zone of Costa Rica (Costa Ballena; Osa Peninsula), this unique tract of 7-hectare land was chosen for its natural beauty, close access to natural and sustainable resources, and the desire to protect its breathtaking topography. The property features 12 exclusive building sites ready to create your own private villa or residence with wide and sweeping views of the Pacific Ocean and even the famous "Whale's Tail" or neighboring protected forest conservation land. Conveniently located between two popular towns Uvita and Dominical, and 45 minutes from the Manuel Antonio National Park and Quepos. The area is very well known for its beautiful beaches, tropical rain forests, and waterfalls, as well as world-class surfing and outdoor activities.
